

DIP KUMAR PAL

Email ID: dipkup3@gmail.com

Mobile: +91-8016054826

Website: <https://www.dipkumarpal.me>

Objective

I'm a student who's really good at coding and making websites. I like to solve problems and want to work on cool projects. I'm looking for a job where I can learn a lot while delivering impactful solutions.

Skills

Programming Language: C++, Java, Python, JavaScript

Database: MySQL, MongoDB

Web Development:

- Styling: HTML, CSS, Bootstrap
- Frontend: JavaScript, React.js
- Backend: Node.js, Express.js

Tool & Technologies: Postman, Git & GitHub, Git action CI/CD, VPS deploy (node)

Content Management System: Drupal

Education & Qualification

Master of Computer Applications (M.C.A)

Sri Sri University (2023–2025)

CGPA: 8.74 (upto 2nd Semester)

Bachelor of Computer Applications (B.C.A)

Panskura Banamali College (Autonomous) (2020–2023)

CGPA: 8.42

Higher Secondary (12th)

Bhuarah B.N.S High School (2020)

Marks: 81% (WBCHSE)

Secondary (10th)

Bhuarah B.N.S High School (2018)(WBBSE)

Experience

Developer:

Seqspace — Bhubaneswar, Odisha (March 2024)

Daily Health

Created a virtual healthcare module enabling users to book doctor appointments, voice-record symptoms, and receive AI-transcribed summaries. Doctors can chat, send prescriptions, or refer to clinics. Built with dual-role support for patients and medical professionals.

Trainings OR Certifications

- IBM SkillsBuild Summer Internship Program with CSRBOX on **Frontend Web Development**
- **MongoDB Node.js Developer** Path from **MongoDB**
- **Postman API Fundamentals** Student Expert from **Postman**
- **GitHub Foundations Certification** form **GitHub**

Projects

Flima E-commerce Website:

Developed the backend using Express.js, implemented the order section with Razorpay payments, integrated MongoDB for data management, and successfully deployed the backend on DigitalOcean.

TeenOdisha News Portal :

Developed a live news portal using Drupal, featuring real-time news updates and content management.

Git : <https://github.com/DipPal07/Greengift.git>

Portfolio Website :

Developed a personal portfolio website to showcase my work and skills.

Built with React.js to ensure a dynamic and responsive user interface. View the website here: www.dipkumarpal.me
